A child with dark hair and a pink bow is playing with colorful wooden toys on a light-colored floor. The toys include a blue and white toy car, a green and yellow toy car, and a red and yellow toy car. The child is wearing a pink dress. In the background, there are colorful bunting flags hanging from the ceiling.

Having established Inside Out Toys back in 2012, my wife Nikki and I are proud of how far we have come, supported by a small team of dedicated staff and sales agents covering the length and breadth of the UK. We first introduced [Jumini](#) in 2016 and now, four years on, the brand has evolved into an extensive range of beautifully finished, sensibly priced wooden toys, suitable for any toy or gift shop, and now also being sold in many garden centres across the country. We pride ourselves in offering excellent customer service and we are pleased that our wonderful, loyal trade customers return to us time and time again.

In this, our Spring catalogue for 2020, you will notice that we have adapted our range, introducing new products directly influenced by customers selling Jumini toys. Additions to the Jumini range this Spring include an expanded collection of our popular Racing Cars, a wider range of Chunky and Raised Puzzles as well as wonderful new character Domino sets and Skittles! With plenty more new items lined up for our Autumn catalogue, it's going to be an exciting 2020 for Jumini and our customers!

To compliment Jumini, which is primarily bold and brightly coloured, we are delighted to announce we have become the only UK supplier for Studio Circus: a gorgeous collection of pastel coloured wooden toys, designed in the Netherlands. This range is fully FSC certified and should appeal to a broad section of the toy and gift market.

As always, we have maintained our sensible pricing strategy and continue to offer competitive discounts. We recognise the importance of value for money for both you and your customers.

We look forward to working with you in 2020 - look out for great deals with our regular offers at trade shows and throughout the year!
